BENEFICIAL PRAYERS

Abridged from the text Al-Hizb al-Azam

By

SHAYKH ABU BAKR BIN MUHAMMAD AL-MULLA
(D.1270 HIJRI)

These prayers were selected by the compiler and were regularly recited by him during the night when he would worship in the hours before dawn. This is a work in progress and requires significant revision, but may be of use to some in its present form.

These prayers with the permission of Allah Most High will be beneficial and encompass all that is good in both worlds. They are prefaced with some prayers from the Quran and a selection of Prophetic reports. May Allah Most High benefit the Muslims by it by means of His Generosity and Kindness.
